

Fireflies

(Wed/Thurs/Fri AM)

Ages 3.5 - 5 years

8:45 AM - 11:30 AM

Our W/Th/F Pre-K classes are geared for students in their second and third year of preschool. Students in their first year of preschool, who are attending Kindergarten the following year, are also encouraged to enroll in one of these classes. Others in their first year of preschool should enroll in one of our programs offered on Mondays and Tuesdays. The main goal of our WThF PreK classes is to give students the opportunity to explore social and academic skills that will help prepare for an easy and successful transition into their kindergarten year. Students who have already mastered many of the academic preschool skills will be introduced to kindergarten skills. Students must be 3.5 years old to start the class. If openings occur mid-year, and a student is 3.5 by their start date, they may join the class at that time. All students must be potty trained.
