

Honey Bees

(Mon & Tues AM)

Ages: 33 months - 4 years

8:45 AM - 11:30 AM

Our Monday and Tuesday morning class is for students in their first and/or second year of preschool. This class is great for first year students who have had little or no prior drop-off experience and for students in their second year of a 3-year preschool track. Our teachers are mindful to help each and every child adjust to their preschool experience at their own pace and will differentiate the curriculum to meet the needs of students in their first or second year of class. Children can attend this class when they are 33 months old and potty-trained.
